Canvas LTI Advantage Integration – Instructor Workflow

Before you begin:

- Have an existing Connect section
- Delete any existing Connect assignment gradebook columns in your Canvas gradebook

1. Login to Canvas

2. Go into Modules in the left navigation and click on the 3 dots for the module you want to deploy the assignment(s) to

3. Select McGraw Hill Connect
4. Click **Begin**

![Image of Connect login](image1)

Let's get started by registering and pairing your class with Connect.

You'll only have to pair your class once.

**Begin**

5. Log into your Connect account

![Image of Connect login](image2)

**Welcome Thuan Canvas11a1st1**

We will create an account based on your email address

thuan.canvas11a1st1@malinator.com

Pair your Canvas Course with Connect

Pair with existing Connect course

Pair with new Connect course
7. Locate the Connect section you want to pair with and click **Select**

8. Click **Go to Section Home**

9. Select the assignments you want to deploy.
10. Click the **stack** icon and select **Deploy/manage**.

![Deploy/manange](image)

11. You can set the grade type in bulk or individually. Click the **Deploy** button when done.

![Deploy button](image)

12. The assignments that were deploy should show up under the module that you started from and Assignments area in Canvas. Click on the dots to the left of the assignment to rearrange the order as needed and **Publish** the assignment. A gradebook column is automatically created for each non-zero point assignment in the course.
